

JVC Training Express

March 2025

Note from the Training Team

We used to say, "Every scout deserves a trained leader," and that is absolutely true. But in today's busy world with so many opportunities for youth and families, we have updated the saying to be, "Every trained leader can do it easier." There are many training opportunities offered in and out of council to assist each of us on our scouting journey to make it easier to do our best. We hope that scouts can gain leadership skills as they progress through Cub Scouts, Scouts BSA, and Venturing programs. There are programs to assist leaders to train their youth.

~Josh Kirby, Council Training Chair
